At end of the drive turn left and go through the gate at the footpath sign **(A)**.

Straight ahead to the gate on the far side of the field **(B)**.

Go through the gate and turn right. Follow the path downhill with the wall on your right until you reach the road.

Go through the gate, turn left and continue on the road.

Take the first road on the right. As it bends to the right turn immediately left, crossing over the wall into a field **(C)**.

Walk straight ahead, cross two fields and join a track.  
Continue through Meadow Farm, until the path rejoins the road

Turn right onto the road and at the T junction **(D)** turn right again, heading past The Packhorse Inn, across the River Dove and up the hill until you reach the village of Longnor.

Enjoy tea and scones in the Craft Centre or Cobbles,  
or buy a paper from the village stores.

Continue up the Green Lane, rejoining the farm road at **(C)** and turning left where this joins the public road.

After 200 meters, climb the stile onto the National Trust land and follow the path keeping the stone wall on you left.
