

High Needham Circular

Time: 1 hour approx.

Distance: 4 kms (2½ miles)

Take the top exit out of Wheeldon Trees and turn right up the road to the crossroads **(A)**.

Turn left and continue on the road for a couple of hundred meters until you reach the fingerpost indicating a footpath to your left **(B)**.

Follow the footpath along a line of trees on your right and cross the style. Keeping the wall on your right, follow the footpath across a double style **(C)**, and then a further single style **(D)**.

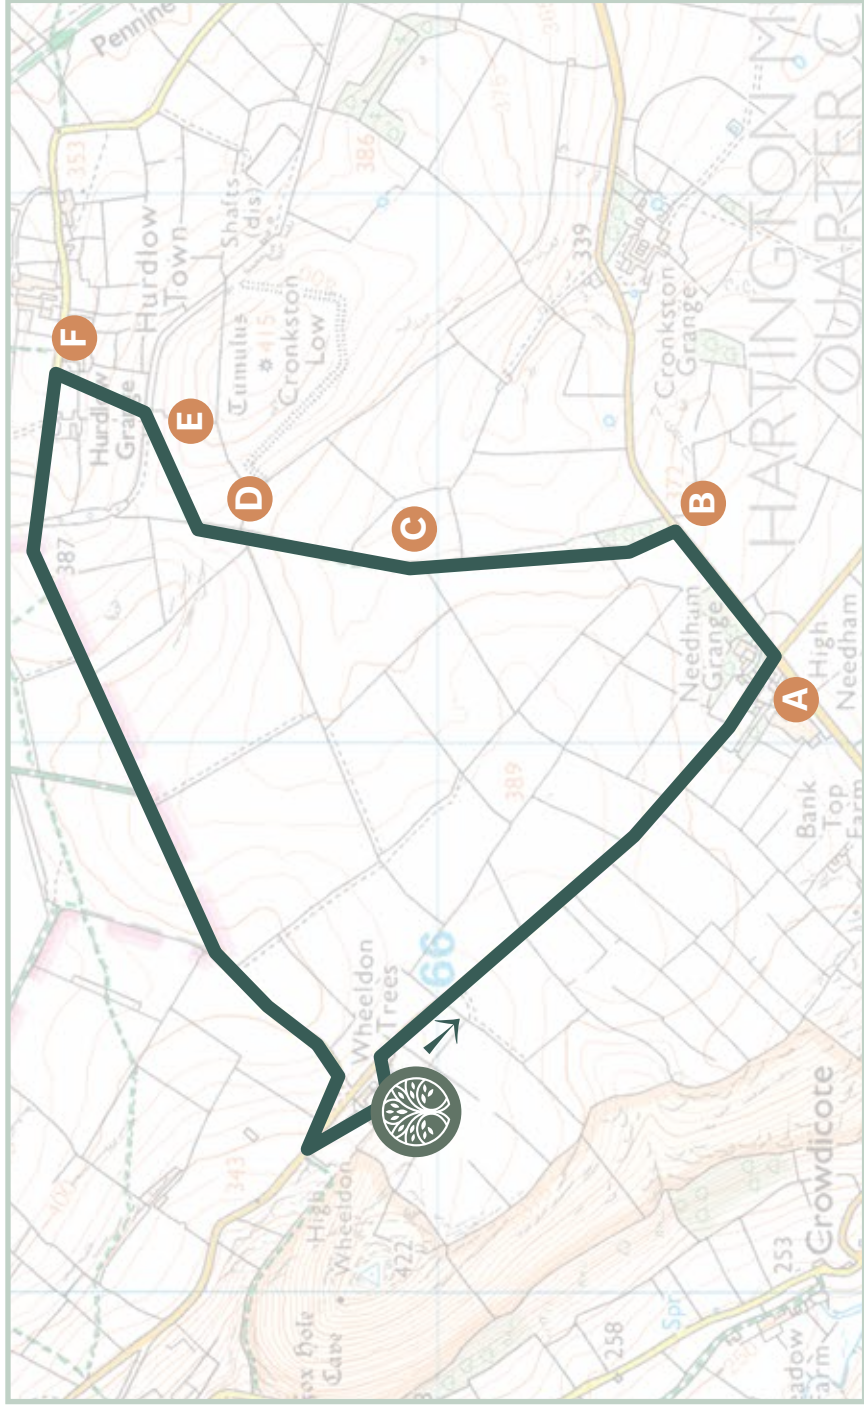

After about one hundred meters, walk through one of the gaps in the old collapsing wall on your right **(E)**, head round the hill and then down towards Hurdlow Grange, crossing the dismantled railway line.

When you reach the road **(F)**, turn left and follow the lane all the way back to Wheeldon Trees.
